Special Speakers or

March 8:

Geneva Staples:- spoke on soap carving and showed illustrations of finished work.

Spoke also on the lives of children being like a plain square to be molded and carved by the lives they lead. A beautiful finished Life, under the leadership of the Lord Jesus can be attained only if lives are submitted to Him and allowed to be molded and carved by Him.

Handwork - Girls

March 8:

Soap carving: Geneva Staples

Bars of Ivory soap and dull knife. Pattern (elephant) traced on bar, after lettering had been cut away. Soap should then be gradually cut away, following pattern, in small cuts, not large ones.

Caution.

Children work too rapidly and go ahead without waiting for instructions.

Recommendations:

a soap village could be made with small houses and trees, churches, etc. with Ivory Snow for the "snow."

March 15 / 22:

Paper tulips: Gertrude Lawrence.

Paper tulips made and placed in Waiting for Good Friday service.

Recommendations:

Needs small groups working under their own leader. Not adapted for large groups, on account of individual instruction that is needed.

March 29th. April 5th. Mayan chart.

Recipe Books:

Made of card board covered with wall paper. Rain paper inside, fastened with crêpe paper strings. Recipes cut from magazines and pasted in, indexed and illustrated by colored pictures of foods.

Recommendations

Paste in recipes cut out of paper, magazines or - leave pages blank.
